SIERRA MADRE, COUNTY OF LOS ANGELES, CALIFORNIA

FRIDAY, FEBRUARY 23, 1934

March 10 Is Opening Day Of Big Fete

Festival This Year Will Be Continued For Twenty Days

Freshened by the early spring rains, Sierra Madre's greatest of all Wistaria vines this week had so nearly approached the flowering stage that the opening date for the famous annual fete was definitely set for Saturday, March 10, with the customary press preview luncheon Friday, March 9.

A complete schedule of organization days was released by Mrs. Pearl Virginia Steinberger, business manager of the Fete, yesterday and it was stated that the festivities will end April 1. Although no definite decision has been made as to whether Japanese or Mexican motif will color the affair, it is known that special fiestas will be arranged for each Sunday, and that the few booths allowed concessions on the grounds will add to rather than detract from the non-commercial spirit of the occasion.

Inasmuch as this season the vine has experienced none of the setbacks that have blighted it in more or less degree on occasions in the past, there is every reason for the Volunteer Firemen and the other civic organizations participating in the Fete to believe that it will prove the most beautiful in history. No frost, high winds or snow have retarded the natural growth of the buds, which are now nearly four inches in length. The week's rainy spell has resulted in gradually soaked earth about the great plant's roots.

Already the world press wires are commencing their annual buzz about the city's most famous living thing, and the center of the fete's business—the Wistaria office in the City Hall—is stacked high with both outgoing and incoming mail. Already there is the usual straggling stream of week-end motorists who drive here in the expectancy of catching an early sneak glance at the lavender blossoming wonder.

Following is the schedule of special days for the Fete's duration: March 9, Press Luncheon; March 13, Kiwanis Day; March 14, St. Rita's Society; March 15, American Legion Auxiliary; March 16, Congregational Church; March 19, St. Catherine's Guild; March 20, Jewish Ladies' Auxiliary; March 21, Order Eastern Star; March 22, Elks; March 23, District Federation of Women's Clubs; March 26, Daughters Union Veterans; March 27, Masons; March 28, Daughters of the British Empire; March 29, Red Cross; March 30, Parent-Teachers Association.

PTA As Guests Of Clubwomen To Hear Of Child Problems

Members of the Parent-Teachers' Association and the officers and members of the Sierra Madre grammar school board will be guests of the Sierra Madre Woman's Club next Wednesday. An exhibition of work from the art class of the school will be hung by Mrs. Florence Lusted, instructor.

Mrs. Waverly E. Pratt, child welfare chairman, will present Dr. Maude Wilde, district federation chairman, who will speak on "The Health of the Child and its Safeguard." Dr. Wilde is well-known to all club members of California for her outstanding work in child welfare.

Miss Mary Beyre, Professor at Scripps College, will talk on "Behavior Problems of Children." A book review will be given by Mrs. H. A. N. Addis, chairman and curator, at 1:30 o'clock.

Light Rains Bring Season's Total To Nearly 20 Inches

Settling down to more "usual" rainfall than deluged the city New Years, the weather was again in more or less evidence here yesterday. In the last week somewhat more than .79 inches of beneficial and thoroughly soaking rain has fallen, bringing the season's total up to 19.79 inches.

Last year a slightly sub-normal fall of 15.51 inches had been recorded at this time—normal is 16.60. The February fall to date establishes no records. Snow fell in the backcountry of the Sierra Madres, but none has fallen far enough down in the foothills to chill the air in the city. Last year January snow storms well coated the surrounding peaks.

Boy Scouts Gather Up Truckloads Of Housefurnishings

In obedience to the President's recent message for their aid in gathering clothing and household equipment for the relief of the needy, twenty-four Sierra Madre Boy Scouts this week have been hard at work canvassing the city for such articles. Several small truckloads of worn wearing apparel, shoes and furnishings of various sorts now are stored in the Women's Cooperative Relief headquarters on West Central avenue, where the women workers are busy mending and repairing in preparation for future distribution.

Tomorrow all scouts will make use of their school holiday in an effort to thoroughly cover the town in search of goods. It is earnestly requested that everyone who has unused bedclothing, furniture, clothing, shoes or like necessities, communicate with local relief headquarters.

37 Dropped From Local CWA Payroll

But Work On Central Avenue Extension Will Be Pushed To Finish

In keeping with the government's plan to gradually allow the CWA personnel to be absorbed back into private business, thirty-seven men last night were retired from Sierra Madre's two work projects. The workers affected include 18 employed on the city spreading grounds, and 19 on the Central avenue extension job, all of whom were on the Tuesday - Wednesday - Thursday shift. It is expected that the other shift workers, employed Friday, Saturday and Monday, will find their number reduced eventually.

The entire county quota was cut by direct instruction from Washington by 22 percent, thus changing the total on the local CWA payroll from 171 to 134. Central avenue work, although it will be slightly slowed down by reduction of its 90 workers to 71, will probably be completed before any more drastic change in status is made. Work on the spreading grounds will proceed without interruption regardless of the fact that 73 instead of 81 men are employed there now on the mid-week shift.

New workers who began work Wednesday or yesterday will not be affected by the order, and all individuals who have been laid off were so affected only after careful investigation of need and status.

First to be retired were men with another member of the immediate family employed; then those who had other resources. Persons claiming dependents other than in their immediate family were considered next, while last to be dropped were men with immediate family dependents and married men with children. The order was signed by Major D. H. Connelly, county CWA director.

15th Anniversary Party Of Local PTA Attracts Over 150

In celebration of the 15th birthday of the Sierra Madre Parent-Teachers' Association 150 members of the local organization gathered in the school auditorium Wednesday for the annual Founders Day meeting.

Corsages were presented to the seven past presidents who were present, and each made a short speech regarding the past and future of the P.T.A. They were Mrs. J. N. Hawks, Mrs. E. R. Thompson, Mrs. William Middleton, Mrs. J. F. Sadler, Mrs. W. S. Hull, Mrs. R. J. Lord, and Mrs. Calvert, now of Pasadena. Mrs. Eleanor Pulling, past junior president, was unable to attend because of illness.

"Attic Secrets," the short play of Mrs. Florence Eakman's Children's dramatic Guild, provided the entertainment feature of the day. Tea and cake were served by Mrs. Lord and Mrs. Hull at the conclusion of the meeting.

Announcement was made during the business portion of the day that Mrs. Boyd Keith will represent Sierra Madre in the Pasadena district council meeting in the Crown City. No date has been set yet for the occasion.

Sinclair's Plan Is Told Local Forum

Twelve Objectives Of 'Epic' Program Explained To Audience Here

Upton Sinclair's "Epic" plan to end poverty in California was reviewed and discussed by Louis L. Horchitz, political publicist, at the Tuesday evening meeting of the Sierra Madre Forum.

"The plan," the speaker stated, "incorporates 12 main objectives. First, the legislative enactment for the establishment of State land colonies, whereby the unemployed may become self sustaining and cease to be a burden upon the taxpayers. A public body, the California Authority for Land (the CAL) will take the idle land, and land sold for taxes and at foreclosure sales, and erect dormitories, kitchens, cafeterias and rooms for social purposes, and cultivate the land, using modern machinery under the guidance of experts.

"Second," he continued, "a public body entitled the California Authority for Production (the CAP) would be authorized to acquire factories and production plants whereby the unemployed may produce the basic necessities required for themselves and for the land colonies, and to operate these factories and house and feed and care for the workers."

Other features of the plan as explained would repeal the sales tax, create a body to issue State script money as well as bonds to cover the purchase of the necessary lands and equipments. A legislative act would provide for a State income tax, beginning with incomes of \$5000 and steeply graduated until \$50,000 incomes would pay 30 per cent tax. A drastic State inheritance tax also would be fixed, and a law formulated to increase the tax on public utilities according to the value of the franchise.

Old age and widow pensions, tax exemption for small farms and homes, and a land tax on unused building and agricultural land, are other parts of the plan as outlined by the speaker.

Dean Arnold Bode presented a brief resume of the Austrian situation at the opening of the meeting, reading from a special story by Dorothy Thompson, distinguished Vienna newspaper correspondent. He pointed out that the Social Democratic party in Austria is in no sense a revolutionary party, that since the war it has won every election with a two-thirds majority, and that civil war—not revolution—is now transpiring in Vienna.

The Social Democrats of Austria did not start the fight, Dean Bode said, but were driven to resistance when the Dollfuss government dissolved the party and dismissed the Mayor of Vienna who had been elected by 66 per cent of the electorate. All of the improvements that the Austrian workingman has enjoyed in the face of what otherwise would have been an unrelieved national poverty and hopelessness were fostered by the Socialists, he said.

Ralph R Stover Dies After Operation For Appendicitis

Funeral services were held on Wednesday morning at 11 o'clock at the Church of the Ascension, for Ralph Marlon Stover, of 118 1/2 East Laurel avenue, who passed away on Tuesday at the Pasadena Hospital, following an operation for appendicitis. Mr. Stover was caption editor of the Los Angeles Evening Herald and Express, where he had been a member of the staff for 12 years. He was born at Norwich, Ontario, Canada, 32 years ago, coming to California when four years of age. He has made his home in Sierra Madre for the past ten years. Dean Arnold G. H. Bode officiated at the services.

Mr. Stover was ill but a week before his death and was removed to the hospital last Thursday. A graduate of Pasadena High School he was editor of the high school paper and a member of the Beta Phi Sigma fraternity.

He was a son of Dr. and Mrs. T. J. Stover, of Pasadena, and a son-in-law of the late Dean Carson Shaw, former pastor of the local Episcopal Church.

He is survived by his widow, Mrs. Betty Stover; two children, Joan 8, and Carson, 2; also a sister, Miss Alice Stover, and three brothers, Donald, Harold and Martel Stover.

Arrangements were in charge of Grant's Funeral Parlor. Interment took place at Sierra Madre Cemetery.

First Blossoms of Spring

THIS weekend will probably see the end of blooming almond trees that have attracted many thousands of recreationists to the Banning area this year. The exceptionally mild weather that is responsible for the holding of Sierra Madre's Wistaria Fete earlier than ever before also forced the hundreds of

almond trees at Banning into bloom two or three weeks in advance of their usual blooming time. The cherry trees at Beaumont will be in bloom within a week after Banning's almond blossoms have fallen and the annual Cherry Festival will attract motorists back into that country.

J L Copeland Pioneer In The Law Dies

Prosecuted First Murderer To Meet His Doom At San Quentin

California lost one of her most prominent pioneers in the legal ranks Friday night with the death of J. L. Copeland, Sierra Madre resident who practiced law in this State since the early eighties. Born in Kentucky in 1862, Mr. Copeland came west after youthful years at sea, held office as district attorney of San Diego County for 12 years, and was chief counsel for the Southern Pacific railroad as well as for the association of All-Pacific Coast brewers.

With Wyatt Erp as his right hand man in cleaning up the San Diego territory in frontier days, it was Mr. Copeland who prosecuted the first man to be hung at San Quentin prison and thereafter secured many progressive pieces of legislation. It was he who presented Earl Rogers with his first Blackstone. In association with Henry T. Gage, Stephen White, and other notable California and National figures, he stood second to none as a criminal and civil attorney.

Funeral services held in Los Angeles Monday were non-religious. Bernard Potter, well known city attorney, spoke briefly in simple tribute, in respect to Mr. Copeland's own wishes. Surviving are his wife, Mrs. Katherine Copeland, and a son, John Copeland.

PTA Will Sponsor Minstrel Show For Its Welfare Fund

In effort to raise money for its worthy child's welfare fund, the local P.T.A. is sponsoring the presentation of a minstrel show to be presented in the school auditorium here Friday evening, March 2, by the Fathers' Council of the Pasadena organization. Featuring the marriage of the well known radio characters of Madame Queen to Andy, the show promises to be entertaining to both children and adults and is the most elaborate program planned for the year by the P.T.A.

The community is asked to support the benefit, as the continuation of the welfare work is dependent on such support. Acknowledgement is made of a cash donation from the Kiwanis Club which was received and welcomed this week.

Friends Celebrate 93rd Birthday Of Eugene Harrington

The 93rd birthday of Eugene D. Harrington was celebrated at his home, 652 Alta Vista Drive last Thursday evening with a family dinner party. Those who gathered for the occasion were his daughter, Mrs. Lilyan E. Wheeler, and his eldest son, Edward A. Harrington, who live here with him; his grand nephew and wife, Mr. and Mrs. J. J. Squier and children, Arden and Dutholt, of Los Angeles.

Mr. Harrington enjoys good health and an excellent memory. He has made his home here since his retirement from the Government pension service in 1922. He was born at Monticello, Virginia, in 1841 and attended the Monticello Seminary there in his school days. As a young man he was principal and teacher at the Jefferson Institute in Falls Church, Virginia. He was later connected with the Interior Department in Washington, D. C., for 40 years.

Water Colors And Etchings In Next Art Exhibition

Opening March 2 the exhibition in the Little Gallery at the City Hall will consist of watercolors and etchings by Hardie and Dorothea Gramatky. Hardie Gramatky is one of the outstanding water colorists. He has taken prizes at Sacramento, Santa Cruz and California Water Color Society exhibition at Los Angeles. Mrs. Gramatky has exhibited her etchings at the Brooklyn Society of American Etchers in New York and at the Pennsylvania Academy of Fine Arts, this year.

A cordial invitation is extended to all to attend the opening reception of March 2 at 8 p. m. in honor of these two fine artists.

Housewives Will Discuss Economic Issues Wednesday

A meeting of the Housewives' Council will be held next Wednesday at 2 o'clock in the Osgood Room of the Woman's Club, following the book review of the club.

Mrs. John H. Osgood will talk on "Observations on Planning and Flood Control." "National Sales Tax" will be discussed by Mrs. A. F. Snell and Mrs. William C. Dalzell. A general review of the natural gas bulletin will be made by Miss Clara Sykes, followed by a discussion on pending Federal legislation affecting cost in the home, with special reference to sugar.

All women interested are invited, whether members of the club or not.

How Home Owners Loan Corporation Moves To Help Those Who Are In Distress

Personal Interviews Suggested To Hasten Approval Of Applications

By Ralph W. Black
IT should be borne in mind that the Home Owner's Loan Corporation, created through an act of Congress and approved by President Roosevelt on June 13, 1933, was established at a time when the entire economic structure of the country was imperiled. Real estate values and the earning power of property had been lowered to devastating levels.

The unfortunate experiences of the past few years have only emphasized the essential importance of home ownership and its distinct relationship to the welfare of the Nation. To possess a home

is still the dominant objective of a great majority of the American people. Unprecedented sacrifices have already been made by men and women in an effort to retain their homes.

Now the Home Owners' Loan Corporation, conceived and being conducted in a spirit of helpfulness, makes it possible for home owners who are otherwise unable to meet their current mortgage obligations to lighten their burden by exchanging a short term debt for a commitment extending over a long period of years, and bearing a moderate rate of interest.

It should be obvious that this Corporation has a dual responsibility; that its obligation lies equally between mortgagor and mortgagee. Therefore, before setting forth the procedure necessary for an applicant to obtain assistance from this agency, it might be well to briefly analyze the character of bonds it offers, not only to the holders of mortgages, but to all classes of investors who are seeking a security of unquestioned soundness. Commendable features of Home Owners' Loan Corporation bonds are:

New Setup Is Effected In Drama Group

Three Major Departments Created To Speed Play Production

Designed to greatly increase the efficiency of the Municipal Drama League, complete organization for rapid progress in Little Theatre production activity was effected by election of officers Wednesday night at the "Old Barn" studios.

The executive setup is designed to create as little top heaviness as possible, with full regard given to practical working problems. Committee chairmen operate as heads of the three major departments—Ways and Means, Production, and Stage. Necessary assistants are to be appointed by them. All terms of office extend one year from time of election.

Mary Schmidt, chosen as chairman of the ways and means committee, is to oversee appointment of necessary committeemen and preside at meetings. Doug Williams, newly elected chairman of the production committee, will act as production manager, and have charge of the workshop and instruction classes. As chairman of the stage committee, Arthur Krams will have responsibility for all back-stage functions and appointment of stage crews, et cetera.

Donna McPherson was elected secretary, with Mary Davis as social secretary. Henry Neutzel is treasurer, and Frank Beaulieu will act as librarian. Two substitutions having been made in the personnel of the Board of Governors. That body now is composed of Mrs. C. E. Allen, Louis Fuller, Henry Gordon Coulter, H. I. Hawhurst, and John Q. Copeland, chairman.

The Board will be called in the immediate future to approve the new officers who, however, take over their duties at once. Committee chairmen are subject to dismissal by the board for inefficiency, in which event a new election of the membership would fill the vacancy for the remainder of the term of office.

With plays already in rehearsal for the local one-act tourney, the date for presentation will probably be set for sometime in early March. As invitations have been received for guest performances in Monrovia and other nearby towns, one or more of these plays will be shown at neighboring little theatres either before or after the Santa Ana competition. Concurrently, plans are being formulated for participation in the big June fiesta of the Allied Artists, at which time a surprise entertainment feature will be staged.

Everyone wishing to join the Drama League is requested to register with the secretary, or at the office of the SIERRA MADRE NEWS.

Public Is Invited To Gain Party Isonic Lodge

A pancake and sausage dinner to be served at 6 o'clock on Saturday evening by the local Masons at the Masonic Temple will start the guests on a most interesting and entertaining "Bargain Party." A fine five-piece orchestra will furnish music for dancing and for those who do not care to dance auction and contract bridge and 500 will be played. And to complete the "bargain" a surprise entertainment program has been arranged. Bargain price tickets are on sale at Roberts Market at 49 cents. Everyone is cordially invited.

Interest Is Guaranteed

1. The 4 percent interest is guaranteed fully and unconditionally to maturity by the Government of the United States.

2. The Corporation has authority to issue \$2,000,000,000 of bonds, and has a capital stock of \$200,000,000 subscribed by the United States Government, making a total of \$2,200,000,000 available.

3. The Bonds are exempt both as to principal and interest from all Federal, State, municipal and local taxation, with the exception of surtaxes, estate taxes, inheritance and gift taxes.

4. Only first fee or leasehold mortgages will be accepted by the Corporation and these, in each instance, must be on improved real estate having an appraised value at least 25 percent greater than the par value of the bonds given in exchange for such mortgages, so that the bonds will not be more than 80 percent of such value.

5. It is expected that steady amortization of principal during the 15-year period will provide a constantly increasing margin of security behind the bonds.

6. Every asset owned by the Corporation is back of the bonds. The Corporation has no power to contract debts other than for running expenses and a possible contingent liability to the United States Government if it advances money for interest under its guarantee. The Attorney General of the United States has rendered an opinion on the constitutionality of the Home Owners' Loan Act of 1933, and the legality and regularity of the bonds issued by the United States.

7. It is expected that operating expenses of the Corporation will be covered and a reserve created by the differential of 1 per cent annually between the 5 per cent interest received from the mortgages and the 4 per cent interest paid upon the bonds of the Corporation.

Must Be Home Property

Property that may be financed by the Home Owners' Loan Corporation must essentially be home property. It may be located outside of an incorporated city, but it must be occupied by the owner as his home. Exception may be made, however, in a case where the owner is compelled to rent his home temporarily in order to meet his mortgage obligations.

The premises may have a small place of business and include (Continued on Page Three)

Second Lecture On Cathedrals Will Be Given Tuesday

The second illustrated lecture on English Cathedrals will be given in the Parish House of the Church of the Ascension on Tuesday at 8 p. m. by Miss Kate Hemming whose first lecture and beautiful pictures were much enjoyed. Miss Hemming was gold medalist of the Royal Academy of Music in London. The lecture is free and the public is welcome. There will be a social halfhour following the pictures.

Sinclair Club Is Organized Here

The "Upton Sinclair Epic Club" was organized at a meeting of about 20 local citizens in the Park house last Thursday evening. Russell Tyne is president and Mrs. Lucy Bode chairman of the club's organization committee. Other officers are George Smith, vice-president, and Jedney Davis, secretary-treasurer. Meetings are to be held in the Park house at 7:30 every Thursday evening and officers of the organization hope to have Mr. Sinclair here at one of the early gatherings.

EMPLOYMENT OFFERED SCHOOL TEACHERS

Unemployed members of the teaching profession now living in Sierra Madre may make application for employment under the new State emergency educational program by addressing Miss Christine Lofstedt, Supervisor Emergency Educational Program, Garfield School in Pasadena. This information was contained in a circular letter received this week by City Business Manager Al S. Myers.

STRANGE ACCIDENT HAPPENS TO JAMES WARDEN

James Warden, of 522 West Central avenue, was incapacitated this week because of a hypodermic needle which broke off and lodged in his knee while he was undergoing treatment for an injured leg.

Dance Recital And Childs Play To Be Presented At Tea

At an informal tea on Saturday afternoon at 4 o'clock, Cricket Caukin and Ruth Klunk will present for the first time pupils of the Cricket Caukin Studio of Dancing at the Woman's Clubhouse. A sketch, entitled "Aunt Sally's Chahm," will be presented by the Children's Dramatic Guild, under the direction of Mrs. Florence Eakman. Those taking part in the recital will be Margaret Young, La Vonne Babbitt, Betty McCoughan, Anne Hobbs, Katherine Baker, Mary Baker, Doris Pickett, Jean Bradford, Maureen Norris, Georgeyne Norris, Charleen Norris, Mary Lou Lovejoy, Grace Jensen, Dorothy Hogan, Marilyn Middough, Shirley Shapiro, June Solnit, Louise Lassoff, Jane Colbert, Catherine Norris, Norma Hogan, Leona High, Miriam Coats, Lois Pickett, Stanton Irvine, Donald Miller and Eugene Shetler.

Miss Moreland Kortkamp will accompany the dancers. Tea will be served by Mrs. Madelyn Smith, Miss Babbie Bains and Jane Holland.

The leading role in the sketch will be taken by Idella Taylor, who will portray "Jimmy Taylor." Others in the cast are Mrs. Eakman, as "Aunt Sally;" Anna Sue Adwell, "Martha Washington;" Phyllis Quittner, "George Washington;" Betty Lou Lacey, "Patsey Custis;" Mariam Carleton, "John Custis;" William Carleton, negro butler, "Will," and Margaret Adwell, negro girl, "Cleo."

Father Sage Says

An ideal happy married state is one where the wife goes her way and the husband goes hers.

ABOUT WOMEN

Because her husband began taking flying lessons, Mrs. Emma Needles of San Francisco sued for a divorce.

Because her husband quarreled with her when she burned the breakfast toast, Mrs. Nora Norton, of San Diego, stabbed him to death.

Mrs. J. T. Meredith of Des Moines gives a recipe on how to be happy though married: "A kiss a day, stay at home, trust your husband and mind your own business."

Mary B. Smart, who died in Chillicothe, O., willed a life income from her estate to her pet dog.

Mrs. Cathrine Hulme of Belfast starved to death with \$10,000 in currency in her house.

A divorce was denied F. C. Henley of London, because he had deeded his wife and three children to Vernon Markley.

Henri Cortland, rich widower of Boulogne, proposed marriage to his cook of fifteen years service and was accepted.

Miss Dorothy Amier of Chicago had Ralph Mackel arrested for calling her "sweetie" without an introduction.

When police found her 24 miles from home, Mrs. Mary Howe of Norfolk, Conn., who is 90 years old, said she had walked all the distance.

GEORGE MESECAR TO TAKE A VACATION

After working for 20 years without any extended vacation time, George Mesecar Monday commenced a temporary leave of absence from his post as station agent at the local Pacific Electric railway depot. Mr. Mesecar plans on spending an indefinite period resting and regaining full health.

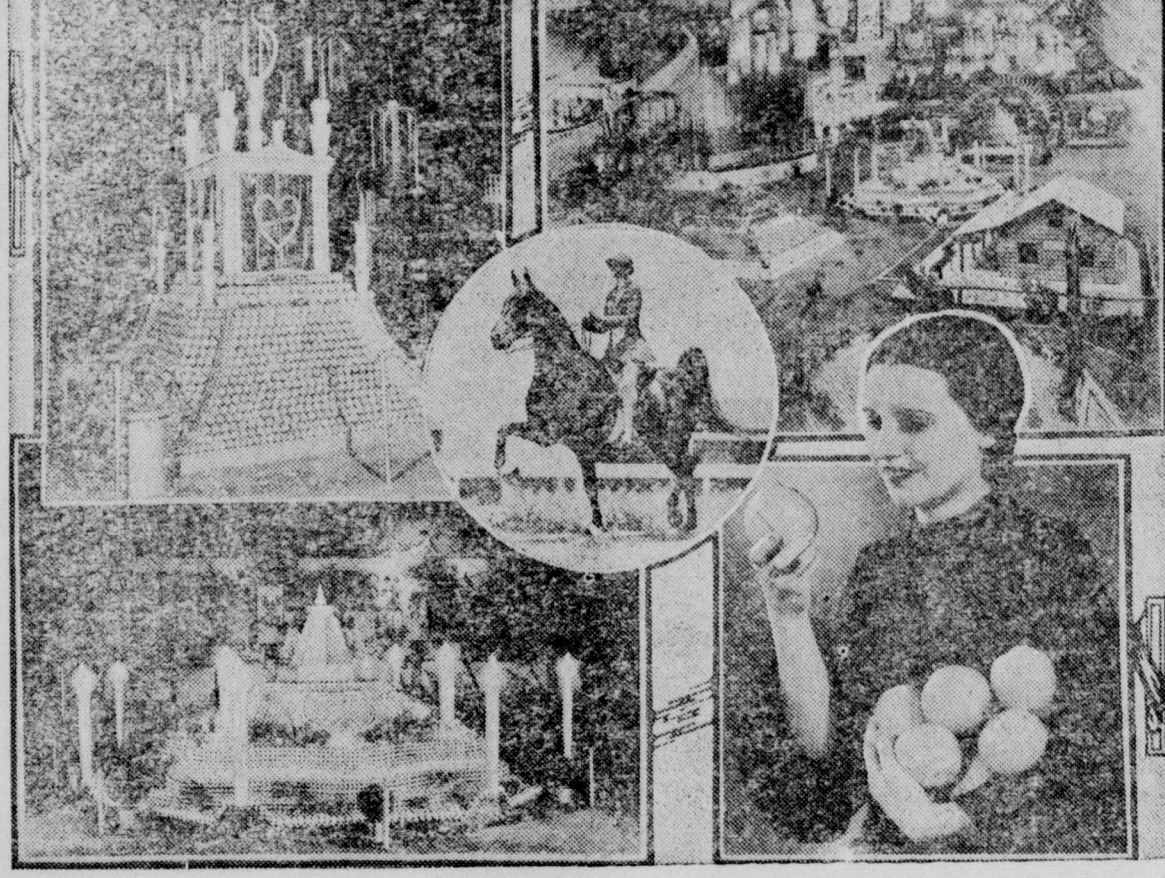

Dudley Simmons, formerly of Huntington Park, is taking Mr. Mesecar's position. He and his wife and son, Dudley Jr., age 5, moved to Sierra Madre Saturday. Their new residence is at 125 Esperanza.

ANOTHER HORSESHOE TOURNAMENT PLANNED

A horseshoe tournament will be held at the City Park on Monday evening. Mr. and Mrs. Guy Zimmerman were present to exhibit trick horseshoe pitching on Wednesday evening to local players. They have been secured for another visit, scheduled for March 15.

WRIGHTS RETURN TO THEIR RANCH HOME IN NEVADA
Mr. and Mrs. William Wright, of Deeth, Nev., left on Monday, following a visit of a week with Mrs. Wright's parents, Mr. and Mrs. Preston Schwartz, of 287 East Montecito avenue, and Mr. Wright's mother, Mrs. Jessica H. Wright, of 265 East Central avenue.

ORANGES AND ICE PALACES AT ORANGE SHOW

MORE colorful and interesting than any of its 23 predecessors, the annual Orange Show at San Bernardino comes to a close on Sunday night. The unique contrast of millions of golden oranges displayed in gorgeous exhibits amid a decorative motif of ice palaces and winter snow scenes captured the fancy of the people and the attendance from the opening day has been a pleasing surprise to everyone interested in this big mid-winter event of the coast.

It is taken to reflect the improved business condition throughout the Southland. It is expected that the attendance on Sunday will exceed that of any single day since the closing day of the 1929 show. The added feature of the National Horse Show has attracted many of the best stock show horses of the Southwest and the coast and has proved such a success that it will undoubtedly become a part of the annual Orange Show hereafter.

In a Huddle

SPEAKING ART

By Henry Ivins Hancock
ON rare occasions we humans encounter some altruistic gesture which creates a warm glow within us . . . In a recent issue of THE NEWS I read an article which superinduced this feeling.

Under the caption of: "Art Section Created at Library" my internal home-fires were started to glow then to burst into full flame when I read further "The departure was occasioned by the growing number of persons interested in the study of art," the story related.

Since these words were published the "Old Barn Studio" obviously has assumed a smile of gratitude for it feels that it has helped, in no small way, to stimulate and foster the fast growing hunger for culture in the community.

Somewhere, a good while back, in THE NEWS files, one might dig out an article I wrote relative to sowing the artistic seed in local soil. It is one thing to plant a seed and it is quite another to begin to burst through the earth. It makes a lot of difference whether one plants a radish seed or an acorn . . . it makes a lot of difference in the years to come. Art growth can never be that of the hot house. Like the mighty oak from the acorn art in its sprouting and maturity is ordained to be slow.

There is no short cut to success in any line. The factor of time must always be present. Desire, time and effort are the underlying foundation upon which every worthy success must be built. That there has developed in our midst a growing demand for study and information along the cultural and worthwhile subjects, should be most gratifying to every Sierra Madrean. In my 30 years residence here I have never observed a community tendency which is capable of being developed into such a far reaching local benefit.

Nearly a year before the first classes in the "Old Barn Studio" were materialized I had occasion to talk the matter over with one who leads our artists colony in National reputation. It is quite impossible to think of art in one of its highest expressions, without the name of Ella Shepard Bush coming to one's mind. Miss Bush was one of the first patrons of the Art League. She was one of the first to encourage such a movement, therefore it is quite logical that she would be the

In A Social Way

Mrs. Florence Eakman, of 194 Mariposa avenue, was guest of Mrs. Blanche Collett Wagner, Los Angeles president of the League of American Pen Women, at a large affair given by the league at the home of Mrs. Ralph Waldo Trine, in Hollywood, on Tuesday afternoon. This party precedes the book week at the Hotel Biltmore, where volumes of poetry by Mrs. Eakman will be on exhibition.

Mr. and Mrs. George M. Lehner, of West Central avenue, entertained with a dinner party on Sunday. Guests included Mr. and Mrs. Merritt D. Lehner, of Santa Ana, and Mr. and Mrs. Arlyn Lehner and daughter, Barbara, of Eagle Rock.

Mr. and Mrs. W. J. Lawless, of 506 West Grand View avenue, and Mr. and Mrs. E. W. Camp, of Los Angeles, former residents, were dinner guests at the home of Mr. and Mrs. E. E. Manning in Hollywoodland, on Monday evening. Mrs. Manning is well-known in music circles as a singer and composer.

Mrs. D. Vanderpool, of 455 Woodland Drive, entertained Monday with a party for her son, Freddie, on the occasion of his eighth birthday. The guests

children of Freddie's own age, were Bernard Redder, Roland Shutt, Charles McComb, Bobby Benner and Gloria Redder. An interesting afternoon was enjoyed playing games and toasting marshmallows.

A cocktail party, honoring Carl Dreyfus, editor of the Boston American, was given last Wednesday from 5 to 7 p.m. at the beautiful Beverly Hills home of Luella Parsons and her husband Dr. Harry Martin. The St. Valentine motif was used in decorations. Mrs. Gordon B. Wolfe, of Sierra Madre, was in charge of arrangements. About 200 guests were present.

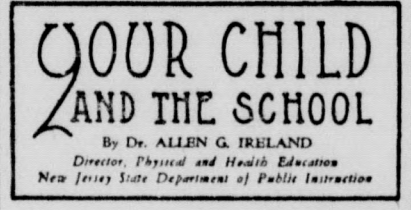

Guests of William Eberhardt at a theatre party at the Little Theatre in the Padua Hills on Friday evening were Miss Thom asella H. Graham, Miss Ida E. Munsell, Miss Edna R. Green, Herbert Mangham and Samuel Graham. Mr. Eberhardt was one of the artists in the play, "Oliver Twist," which was presented on Friday evening. He is a member of the cast from the Pasadena Community Playhouse.

Mr. and Mrs. H. F. Barton, of 252 Ramona avenue, entertained at dinner on Sunday. Guests included Mr. and Mrs. A. B. Barton and family, and Mr. and Mrs. E. R. Urquhart, of Pasadena.

Honoring Mrs. W. T. McKee of West Highland avenue, and her nephew, Avery Von Wardenburg, and niece, Miss Eleanor Von Wardenburg, of Washington, D. C., a dinner party was given by Mrs. James Webster, of Altadena, on Sunday evening. Covers were laid for 10 guests.

Mr. and Mrs. George B. Morgridge, of 19 West Orange Grove avenue, will be among the guests at a dinner party on Saturday evening at the home of Mr. and Mrs. Kenneth Payne, in Glendale. Dr. and Mrs. Joseph P. Copp, of Los Angeles, will be honor guests. Dinner will be served to six couples, all old college chums.

Mr. and Mrs. Louis Wicks entertained with a dinner party for 12 Monrovia friends at La Casa Vieja last Thursday evening. The guests later enjoyed an evening of bridge at the Wicks' home in Monrovia.

YOUR CHILD AND THE SCHOOL

By Dr. ALLEN G. IRELAND
Director, Physical and Health Education
New Jersey State Department of Public Instruction

Weight and Height

One indication of good nutrition in children is a continuous though perhaps varying gain in weight during the period of growth. Parents should not worry, however, if there are variations in the rate of growth. These are normal and depend upon individual differences.

However, any child who fails to gain in weight over a period of three months should be examined by a physician to see if any organic illness is the cause. Perhaps a slight change in diet would overcome the difficulty. It is a good habit occasionally to compare the weight of your child with the normal as expressed in a height-weight table.

Recent scientific research indicates that these height-weight tables should be used only as an indication. They represent lists of averages rather than a hypothetical "normal." It is obvious that the average does not apply to every individual.

Therefore, as long as the variation from the table is not large there is no cause for alarm. More important indications of health and normal growth are the muscular development and tone, animation and endurance, and the color and condition of the skin and visible mucous membranes of the child.

Dr. Ireland will write about protection of health in wet weather in his next article.

Don't Dream - Build Now

Realize your dream by building that new home now, before prices advance. Codes are rapidly being established—that means higher prices in both workmanship and materials.

Kiwanians Review Year Of Service

Members Scan Past For Accomplishments Of Local Organization

A year of useful civic service was recounted by various Kiwanis clubmembers at the luncheon meeting Tuesday noon, as President William Middough called for impromptu talks in the absence of a regular guest speaker.

Secretary Jack Hosford reported a number of splendid organization achievements of 1933, told of how the club led in efforts to relieve the unemployed situation and cooperated in the formation of local NRA committees. He stated that Kiwanis furnished the public school finances for the purpose of sending eight boys and girls to San Pedro to see Old Ironsides while that historic vessel was anchored there.

In February then President William Lawless appointed three Kiwanians to help in the selection and election of officers for the present Boy Scout year. During the year the inter-club bowling pennant was brought home, and a city baseball team was sponsored by the local men.

LOCAL MEN ENTERTAIN BELOVED VAGABONDS

Lee Shippey gave his version of the "Jungles of Hollywood" Monday night when he spoke before a meeting of the Beloved Vagabonds, of Long Beach. While other of the group of adventurers and hardy African explorers dwelt on deeds of valor, "Leeside" told amusing tales of the pitfalls of the film capital, and of his experiences with the notables there.

Francis Eakman, present at the same time, favored with appropriate songs, and in return received a parchment scroll making him an honorary "Vagabond."

MONROVIA MUSIC AT FOUR-SQUARE CHURCH

Tonight the Monrovia Four-Square Church orchestra will be present at the local services being conducted by Rev. and Mrs. Frank Hutter at 191 West Central avenue, it is announced. The 30-minute concert arranged will take place before the regular evening service.

Thursday a Pasadena orchestra is scheduled to play, and a hearty invitation is extended to everyone to be present. Prayer services are held every afternoon from 2 to 4 o'clock under the direction of Mrs. Daisy Van Nierkerk.

Work On Million Dollar Race Track In Arcadia Begins

Actual work started last week on Santa Anita Park, Arcadia's new race track, when movers and wreckers began work on moving the little green residence of the gate-keeper at the intersection of Colorado street and Huntington Drive. While the ground for Arcadia's million dollar project has been surveyed, this is the first actual work that has been started.

Gwynn Wilson, manager, and H. J. Kaufman, of the Los Angeles Turf club, have gone East to look over the famous eastern plants, in order to incorporate the modern ideas in the proposed Arcadia course.

It is reported that actual construction of the track will start about March 7, after the assessments are made on the tax roll.

THREE STATES HOLD PICNIC REUNIONS

Hawkeyes of all the West Coast will rally for the great annual winter reunion, all day Saturday, February 24th, at Lincoln Park, Los Angeles. A section of the park will be laid out like the state of Iowa with each county in place and registers in stalled for enrolling. The program will follow the basket dinner hour and will include music and addresses.

Indiana's semi-annual basket picnic will be held Sunday, February 25th at Sycamore Grove Park, Los Angeles, under the auspices of the Indiana State Society.

Wyomingites will hold their annual spring roundup at Sycamore Grove Park Sunday, March 4.

Fire Flames

By one of the boys

A LAST minute emergency call from the Chief, brought the firemen together again on Friday evening, when final work was planned for the Wistaria Fete. After much inspecting of the vine by "experts" and the firemen the opening date was agreed upon among other things.

Work on the shelter of the greatest flower show yet to be held here, will begin next Sunday when every fireman will be there. "General" Hibbs is the foreman of the building job, and what he says goes. Marion Hayes is his understudy, and it might be possible to get through a suggestion if a fellow works it through Hayes. Bring along your own hammer and saw, and leave the other fellow's implements there when you leave. Several of the firemen are crying about tools lost last year. (I often wondered where that strange hammer came from that the baby busts the piano with.)

Everyone who attended the San Gabriel Firemen's Association meeting at the Masonic Temple last Thursday either had a good time, or they acted so. Visiting firemen and their wives and sweethearts came from all over the valley. Our own City Dads were all there and welcomed the firemen. Councilman Lees was even tempted to dance, when a nice young girl asked him, but he excused himself by saying he couldn't understand the music very well. The Mayor loosened up and shook a wicked knee, and many of the single girls were disappointed when they learned that he was off the market.

We meet tonight for the regular practice.
Fire's Out!

How Home Owners Loan Corporation Moves To Help Those Who Are In Distress

(Continued from Page One)

some farm land, provided the appraised value, established by the Corporation, does not exceed \$20,000 and provided it is primarily the owner's home. Another condition is that the property shall not house more than four families. Commercial rent property does not come within the scope of the Home Owners' Loan Act.

Four types of loans are authorized by the Corporation, for a period of three years after the date of enactment of the act. The type most generally granted is that where bonds are exchanged for home mortgages and other obligations and liens secured by real estate. No such loan may exceed 80 per cent of the Corporation's appraisal of the value of the property.

Cash loans are made in some instances where the property is not encumbered, but such loans shall not exceed 50 percent of the appraisal and the proceeds can only be used to liquidate taxes and assessments on the property, or to provide for necessary repairs and maintenance and to meet the incidental expenses of the transaction. In such cases, the applicant must have made every reasonable effort to secure the loan through ordinary lending channels.

Cash Loans Possible

Where holders of mortgages refuse to accept bonds, cash loans are given consideration, subject to very definite restrictions. Loans of this character are made only after the applicant has been unable to obtain a loan elsewhere. Actual distress must exist and the home be in danger by reason of the mortgagee's inability or unwillingness to carry the mortgage any longer or to accept bonds in exchange. These loans are limited to 40 percent of the property's appraised value. Interest is at the rate of 6 per cent and will be amortized over a period not exceeding 15 years. All such applications must be forwarded to the Corporation Board at Washington for approval.

In those cases in which a home owner owes a first mortgage, the amount of which together with all the cash to be loaned for repairs, necessary repairs and the

incidental costs of the transaction does not exceed 40 per cent of the appraisal and which can not be taken up with bonds, and also owes a second or other lien, or liens, which can be taken up with bonds, the Corporation may advance cash to take up the first mortgage and bonds to take up the remaining liens. This type is called a split loan.

All Southern California territory, with the exception of San Diego and Orange Counties, comes within the jurisdiction of the Los Angeles district office, which is located in the Rowan Building at 139 West Fifth street, Los Angeles. All State offices of the Corporation are also located here, including that of State Manager Monroe Butler.

Personal Interviews

It is highly desirable that all applicants for loans present themselves in person in order that a thorough interview may be had at the outset. By personally contacting an application clerk, the applicant's eligibility for a loan may be more readily determined. Thus considerable time and expense may be saved to both the applicant and the Corporation.

An application having been filed, it goes immediately to the Central Files, where it is given a number, and is then sent to the Location and Assembling Division of the Appraisal Department for classification as to Congressional and Assembly districts.

This procedure completed, the application is assigned to a preliminary appraiser, who notifies the applicant by mail as to the approximate date on which he will call to inspect the property. It is the duty of this investigator to fix an approximate valuation on the property, and to determine whether or not it qualifies for a final appraisal.

An applicant may greatly assist the preliminary appraiser and speed up the process by having in his possession tax bills, assessment notices and all other accurate information concerning the indebtedness against his property.

When the report of the preliminary appraiser has been received by the Appraisal Department, the application then goes to the Statistical Division of this department,

where the appraisal figure is carefully checked and then reviewed by the chief district appraiser.

Photograph Property

In the Statistical Division, applications are segregated into two groups—those ranging over 80 per cent, and those falling under 80 per cent. It has been heretofore stated that no loan shall be made for an amount greater than 80 per cent of the appraised value of the property, hence the above classification.

If the amount of the loan asked for in an application is within the 80 per cent limit, the application is placed in the hands of a final appraiser. This concluding appraisal process is, of course, much more exacting and thorough than the preliminary procedure. In addition to making a rigid examination, the appraiser photographs the property and attaches the picture to his report. This enables the final examining board to have a fairly good concept of the appearance of the property as well as an accurate description of it.

The application is next passed to the Escrow Department for title search and credit report—then to the Final Board of Examiners. When the approval of this board has been given to the application, it is returned to the Closing Division of the Escrow Department. Following these final gestures, the application terminates its tedious journey in the Auditing Department, from whence is issued the authorization for bonds to the mortgagee.

The Final Stage

If the amount of the loan sought is greater than 80 per cent of the appraised value, the application is sent to the Adjustment Department. Here an effort is made to bring the mortgagee and the mortgagee together in order that the difficulty may be mutually worked out. Often times the mortgagee is asked to reduce the amount of the mortgage so that the loan figure shall come within the 80 percent limit. This is called "scaling down." Or again, it may be the mortgagee who is asked to make a concession by way of paying in cash, if the margin be small, the amount of the difference. When an adjustment has been made,

the application proceeds as though it had been approved in the beginning. In reality, an application is never wholly rejected so far as the Home Owners' Loan Corporation is concerned. Difficulties are always subject to adjustment, if only the other persons involved can be brought into agreement. And this the Corporation always strives to do.

WOMEN HAVE PUT MEN BACK TO WORK...

An unprecedented rush of orders followed the announcement of a special sale of modern gas ranges—equipped with clock-control—at record-breaking low prices.

It was announced that—during this sale—these clock-equipped ranges could be purchased for a limited time at a price equal to the cost of such ranges without the clock control.

A rush of orders resulted.

In many instances, delivery has been delayed until a fresh supply of ranges could be rushed from the factory.

Trade associations report that this has made increased work for great numbers of men.

The sale of thousands of such ranges in Southern California means more work for men—and less work for the women! Instead of spending all their time in the kitchen these wives and mothers will now have time for other activities and interests.

Have you seen these new ranges?

If you have—either at your dealer's or the gas company office—you probably have ordered one for your own kitchen. If you haven't, we suggest that you do so at once—before this special offer expires.

At the gas company office you will see new models of Roper and Magic Chef—ranges which we have merchandised for years—but these are equipped with a clock-control which cooks for you automatically.

At your dealer's you will see other good ranges also equipped for this new method in automatic cookery.

Either through your dealer or the gas company you may have one of these modern ranges on very easy terms.

Don't wait!

Permits Call For Alterations, Additions and General Repairs

Evidence that 1934 will bring much in the way of prosperity to Sierra Madre comes with news of a large number of building permits issued since New Year's day by City Clerk Waverly Pratt.

A rustic canyon home is under process of construction by C. H. Johnston at 101 Vista Circle Drive in Sierra Madre Canyon, and a number of lesser improvements, alterations and repairs are under way.

At 511 East Montecito avenue, E. Mohler is building a new garage; re-roofing has been done at the Eyster estate at 197 North Auburn, at the home of R. A. Terry, 11 Vista Circle Drive, and by William R. Caley on his business houses in Kersting Court.

W. C. Ravening recently built a new garage at his 621 Alta Vista residence, as did R. E. Knapp, 514 East Montecito. Susan E. Murray re-roofed her house at 88 West Grand View, and H. G. Siefert made several improvements at 229 North Hermosa. Grace R. Vane remodeled a home at 223 Santa Anita Court, James Quittner added a bedroom to his residence at 241 Ramona avenue.

Judge Tom Neale was granted a permit for the construction of a chicken raising plant on the property he recently acquired on Mt. Trail avenue.

A. L. A. Activities

By Minnie Stinman

UNIT 297 is to be hostess at the Wistaria Vine on Thursday, March 15. We hope to have the opportunity of greeting all our friends and well-wishers with a sincere and cordial welcome beneath the purple canopy of fragrant blossoms on that day.

The Juniors dispensed with business in order to entertain with a Valentine Party at their meeting on Saturday. The guest of honor was President Leila Embree, who was presented with a pretty Valentine cake. The program and decorations were under the direction of the Junior Past President, Marjorie Stinman, who saw to it that every one present enjoyed the party. The tables were immediately re-set for the pot luck supper in the evening, when more than forty people did justice to a lavish supply of excellent food.

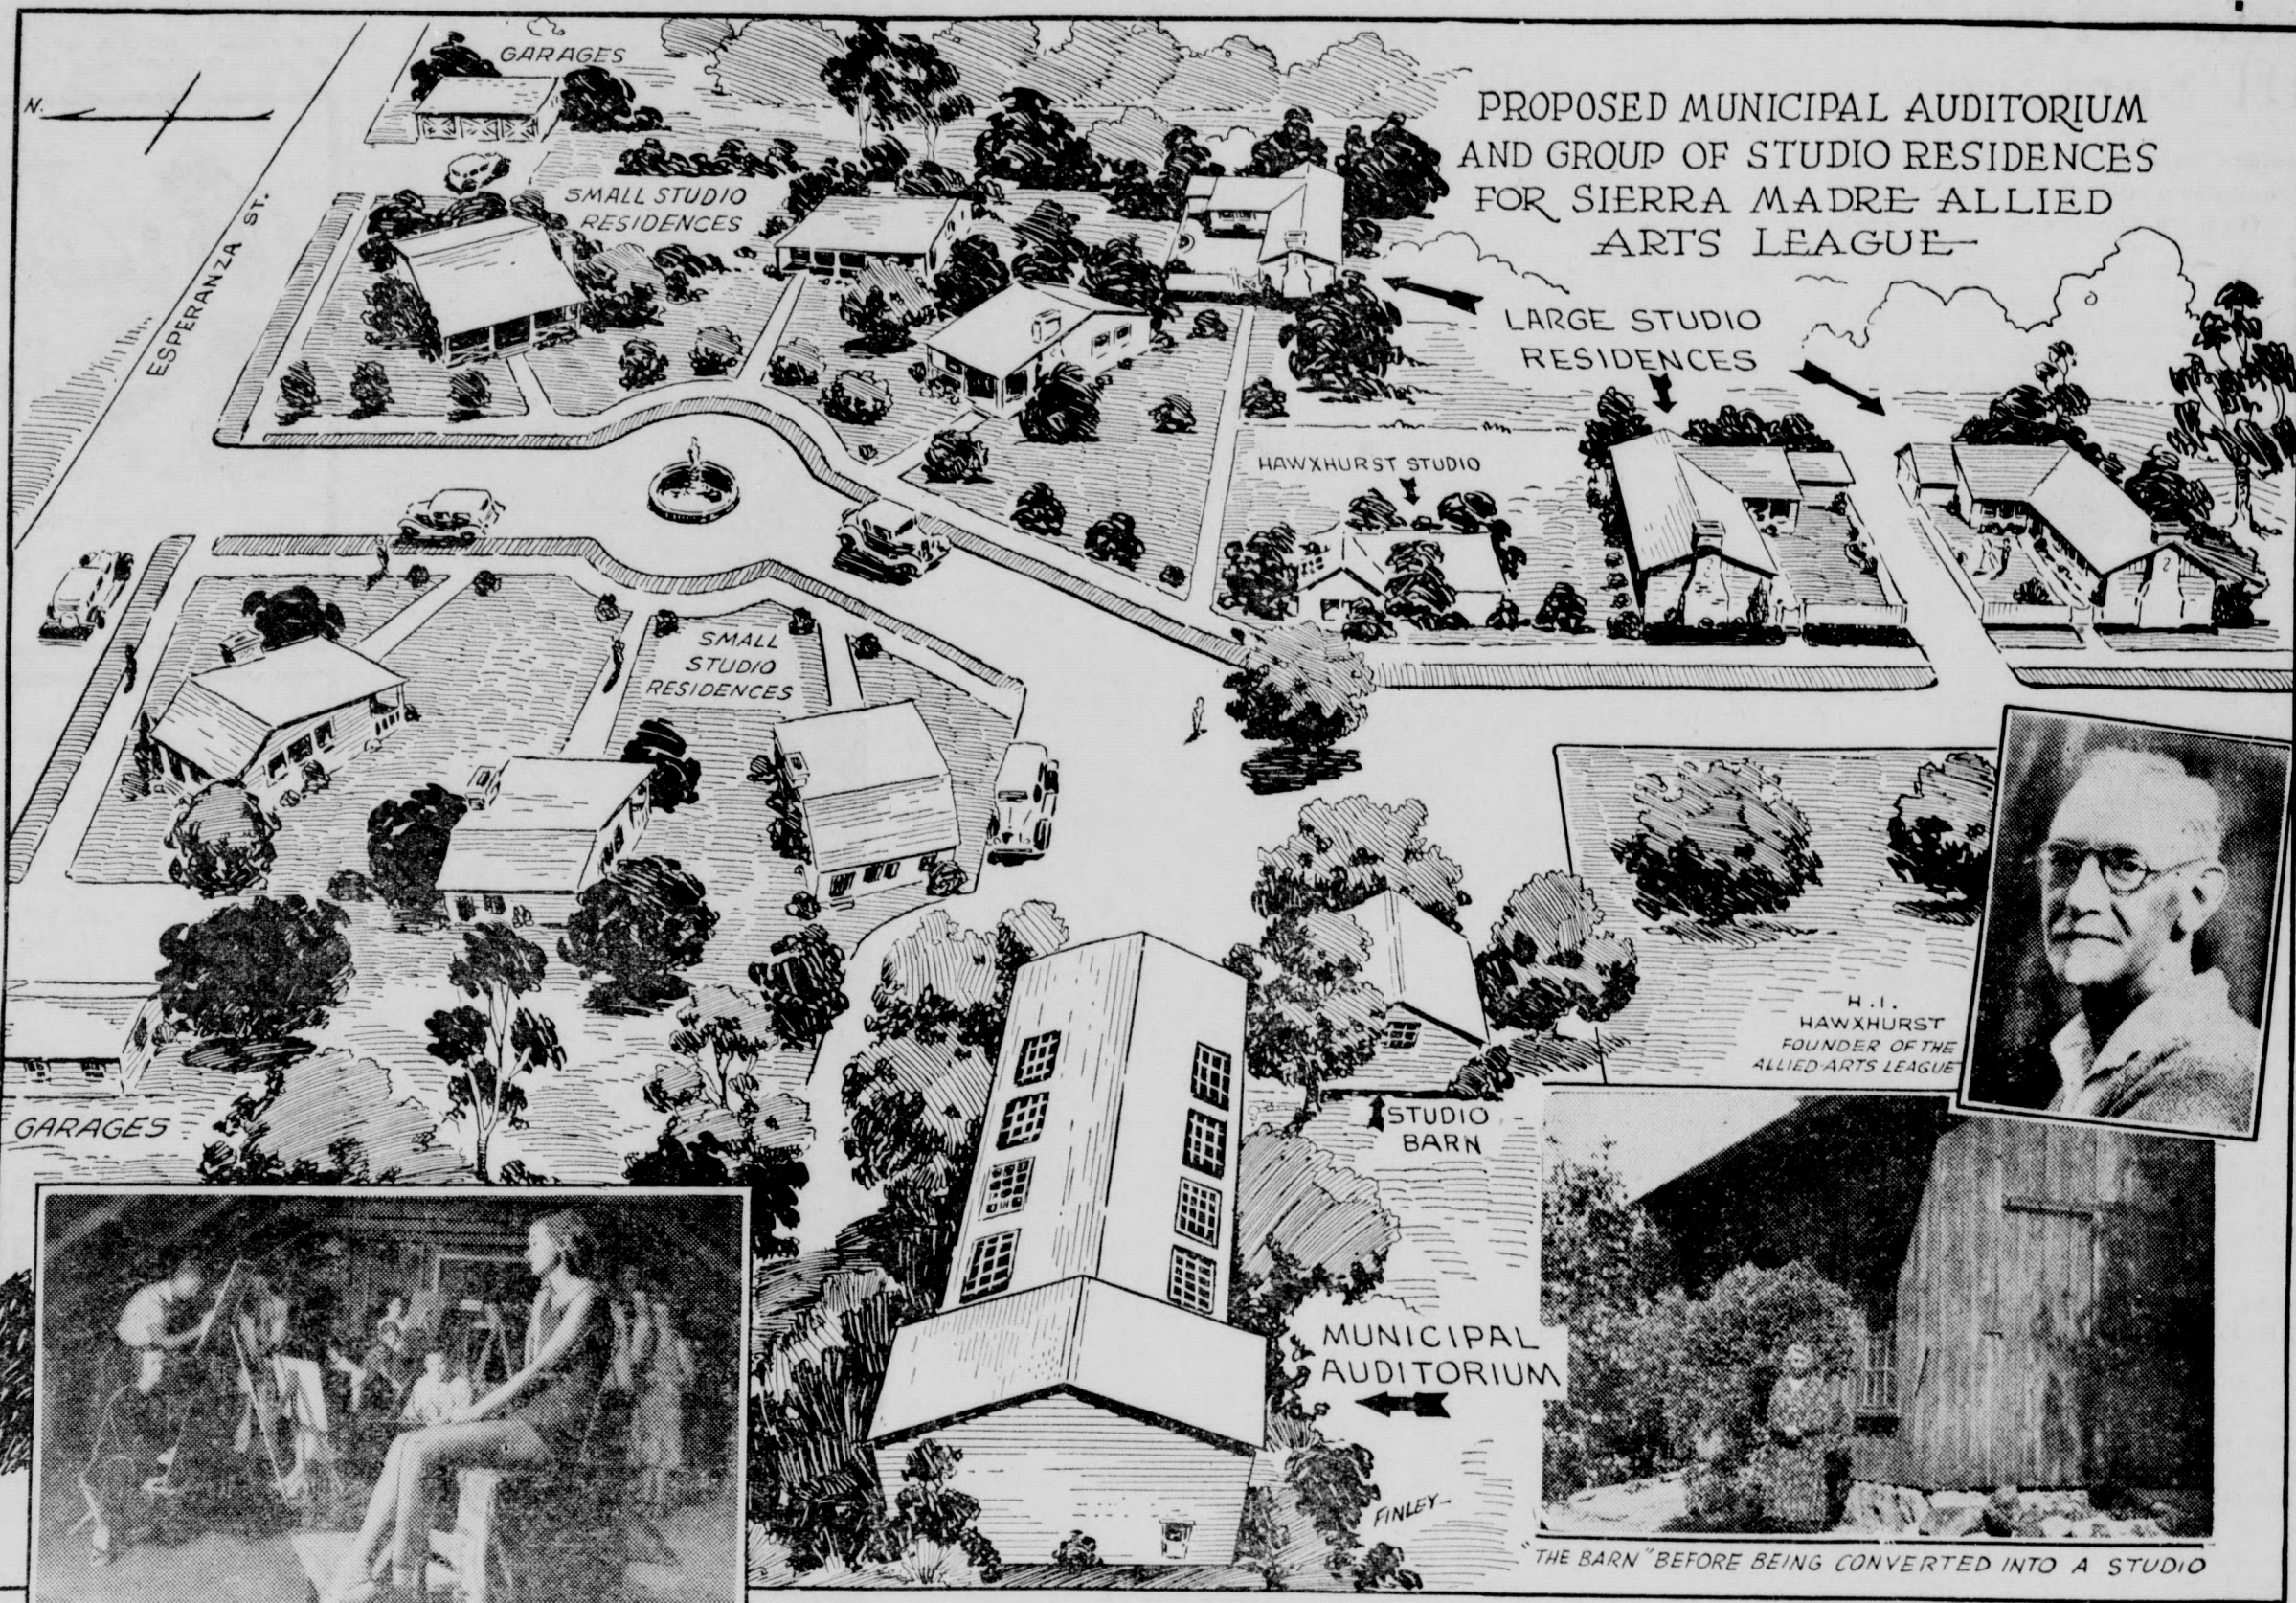

Three members of Unit 297 visited East Pasadena Unit 280 at its last regular meeting and listened to a very instructive illustrated lecture by Lieut. Jackson on how America is not prepared for war. This lecture was secured as part of our National Defense program for February, and was especially interesting because bills for appropriations for army and navy will be presented in Congress next month.

In a series of motion-pictures preceding the lecture, the audience was enabled to see just what are the means of defending our western coast against possible invasion. We could only wonder if our coast defense is equal to the huge task entrusted to it. The United States, since the Washington Conference, has been setting an example of disarmament, which is was hoped that all nations would follow, but they have not done so.

The women of the American Legion Auxiliary have been asked to follow up a campaign of education which shall bring to the attention of all American women the facts regarding National Defense. Our program is a peace program. No one can more heartily desire a lasting peace, than the members of the Auxiliary, many of whom are still living in the shadow of grief caused by the World War. We are certain that America will never seek a war, and equally convinced that war will never seek a prepared America. Undue weakness of National defense invites aggressors to disregard treaties and violate the rights of our Nation. Had we been prepared, we might never have been involved in the World War, which cost us 22 billions in money and the precious lives of thousands of our finest young men. Many lives were needlessly sacrificed because of lack of preparedness. Next time we may not have friendly Allies to shield us while we spend 14 months in equipping and training an army.

Washington said that "To be prepared for war is one of the most effectual means of preserving peace." This has never been tried in this country, but we have proved that a lack of preparedness does not insure peace. In less than 150 years the United States engaged in six wars, disastrously unprepared every time. Switzerland

PROPOSED HOME OF SIERRA MADRE'S ALLIED ARTS LEAGUE

THE LIFE CLASS AS IT IS TODAY

ESTABLISHMENT of an art center in Sierra Madre, where the Allied Arts of painting, drama and music would have permanent housing stands as a dream of Henry Ivins Hawkhurst. It is now one step nearer

reality as architectural plans that include a municipal auditorium, studio residences, and artistically landscaped grounds, have been completed by Don West, young Pasadena architect.

The entire plan, after some months of quiet work on the part of heads of the Art, Drama and Music Leagues, was submitted to the CWA for financial support. But the project was rejected, and

referred to the department of adult education.

The next move will be to subject the entire proposition to President Roosevelt directly, with a complete and sound business prospectus. In the event that financial support is not forthcoming from that final National source, the project will be obliged to look to private subscription.

Already there have been a half dozen applicants put on the waiting list for one of the group of nine studio bungalows proposed in the rustic atmosphere near the present "Old Barn" studio.

Rentals, which will help in the self liquidating plan of the project, will be limited to artists.

The auditorium, proposed for dramatic and musical productions, rehearsals and permanent art exhibits, may be rented out at times to various civic organizations for parties, dances and meetings, thus creating another means of revenue. Small adjacent art shops would further aid in financing the thing.

Nearly 5000 persons have made a pilgrimage to the "Old Barn" since the Art League was organized and now there are nearly a hundred applicants for instruction in the Art League alone.

Regular meetings and rehearsal of the Drama League in addition to the several Art League in structure classes that function by schedule make present housing utterly inadequate.

Covering territory between Bonita and Esperanza street, the entire projected layout would cost at least \$25,000, and in the event of successful completion the entire self liquidating business end would be placed in the hands of capable business men of high integrity who would function separately from the allied artists themselves.

—Courtesy of Pasadena Post

IN YOUR GARDEN

GARDEN NOTES
By Jessie Ward Russell
Landscape Gardener

THIS is a busy season in the garden. Spading, transplanting, rearranging the garden—almost anything in the way of gardening can safely be done now.

The perennial border should be cleaned up by now, old clumps

land, surrounded by warring nations, but prepared to the utmost at all times, has been more successful in keeping out of war than has the United States.

Some people believe that if everyone refused to fight, the Nation would not be involved in war. In some of our schools and colleges, the students are pledging themselves to refuse to bear arms for their country. If everyone in the world took and kept the pledge never to engage in war, it would, of course, banish war from the earth. But no Nation can do it alone. China is the best example of a pacifist nation, but pacifism has not saved her from war. The best ports of China are under alien control, and many valuable resources have been exploited for the benefit of foreigners.

These are some of the reasons we have for an adequate National defense.

Are we saving that penny a day for a bouquet of poppies? Our members also should be able to take three or four hundred poppies which will be good news for the disabled, non-compensated veterans whose patient fingers fashion our official memorial flower. The department furnishes all material—red paper petals, wire and green paper, stamens and stickers—and pays the veteran worker the work. Mrs. Olson says that check for \$15 each year means a lot to the veteran who receives it—as much as a check for ten times the amount would mean to one of us.

dug up and divided and new plants put in.

Large shrubbery should be pruned and if badly placed in the garden they should be "balled" out with soil left on the roots and planted back where they will look best. New shrubs should be planted in vacant spots so as to give a uniform appearance to the garden. Group low growing shrubs in front of tall ones. Borders of flowering annuals and perennials may be planted in front of shrub groups.

Hedges should be pruned now. It is a splendid time to set out new hedges. Privet and Cypress are still the favorite hedge materials, with boxwood for low, compact hedges.

Fruit trees should be planted now. Figs, Peaches, Plums, Nectarines, Apricots, Persimmons, Walnuts, Oranges, Tangerines, Lemons, Grapefruit, Kumquats, Limes, Avocados, Cheromoyias (Custard apple), Guavas, Sapotes all do well in Sierra Madre.

It is nice to have an asparagus bed. It becomes more useful each year as the roots live for years and produce more and more as

the plants get older. Plant roots six to eight inches deep and fertilize well.

If your rose garden is getting old take out old, stubby bushes and plant some of the new varieties. They will give you more pleasure than anything in your garden.

If you would have flowers all ways in bloom in your garden, plant some Petunias. So easy to grow, too. Giant Ruffled Petunias are always interesting but for masses of color the low growing Rosy Morn Petunias are always a delight.

To build up your soil, work cow or steer manure into it.

Find Method That Increases Vitamin 'D' In Milk Supply

Installation of a new process whereby the Vitamin "D" content of fresh milk can be greatly increased was announced yesterday by Clarence Smith, manager of the Lucerne Creamery, in Los Angeles.

"We have been deeply interested in the idea of intensifying the Vitamin 'D' content of our milk," stated Mr. Smith, "and we have investigated many methods during the past few years. In our opinion, irradiation developed and perfected in the laboratories of the University of Wisconsin is the key to the question of how to increase Vitamin 'D' content in milk."

Mr. Smith quoted various authorities on the specific qualities of Vitamin 'D' which prevents rickets, aids bone and tooth development, and tones up the system. In the past, the only sources of Vitamin 'D' were sunlight and cod liver oil.

Vitamin 'D' Irradiated Lucerne Milk is now available at all Safeway and Piggly Wiggly stores now carrying Lucerne Milk. Mr. Smith stated. An important feature in this new milk is that there has been no increase in price.

A third of a billion dollars, eight per cent more than in 1932, was collected in internal revenue from the sale of cigarettes in the United States last year. This tremendous sum, collected from the sale of a luxury, in a depression year, indicates that America has a long way to go before it is bankrupt.

Robert A. Jensen, Foothill boulevard restaurateur, has been chosen to fill the vacancy caused in the Arcadia City Council by the resignation of former Mayor Harry Link who is employed as a foreman on construction of the Central avenue extension into Pasadena.

Voters of Glendale swatted a proposed bond issue of \$1,253,000 for school reconstruction by more than two to one on Wednesday.

With their party in power in the Nation Democrats of California witness the strange spectacle of their National leaders trying to hand the Senatorial nomination to Senator Hiram Johnson as a reward for the betrayal of his own party last year, while Upton Sinclair, Socialist, is the most aggressive candidate for their gubernatorial nomination. A howl for regularity is going up from the rank and file and Democratic candidates for these offices brand Johnson and Sinclair as "invaders."

Instead of concentrating their energies towards a reduction of the cost of government, municipal officials throughout the country, including Los Angeles, are going about with searchlights hunting new sources of revenue to meet the mounting cost of operating the cities. Los Angeles, for instance, is considering a tax to cover sewage service and garbage collection, the proposal being to bill these items along with the regular monthly water bills.

Six months in advance of the August primary election there are four candidates in the field

"SONS OF THE DESERT" AT THE LYRIC THEATRE

Laurel and Hardy will be seen at the Lyric Tuesday, Wednesday and Thursday, February 27, 28 and March 1, in "Sons of the Desert" on a double program with "Search for Beauty."

for Supervisor of the First district, in which this city is located and which is represented by Supervisor Hugh A. Thatcher, of Pomona. His ambitious opponents are making it so for the Supervisor. The more candidates against him the easier it will be for Mr. Thatcher to succeed himself. Announced candidates to date are former Mayor Chamness, of Whittier, runner-up in the last Supervisorial contest; H. C. Legg, of Downey; J. Williams, publisher, of Belleflower, and A. B. Bonner, of Arcadia. Half a dozen more entries are expected before the dog days arrive.

Evidence of growing confidence, employment and returning prosperity are accumulating on every hand. The Labor Department at Washington estimated that since March 1, 1933, employment in manufacturing and non-manufacturing industries has increased by 2,387,000 with \$60,200,000 added to the weekly pay roll.

The California State Chamber of Commerce says a survey on employment in California industries, trade activities and public utility enterprises has shown a greater indication of improved conditions than in any period since 1929.

The weekly Dun & Bradstreet Trade Review says the "rising trend in trade and business volume continues without abatement, and sporadic instances of improvement now are giving way to proofs of a more definite general revival."

Worthy Matron Of OES In California Will Be Guest Here

The eighteen officers of Sierra Madre Chapter of the Eastern Star together with 54 officers of Alhambra and Granada Chapters,

Alhambra, and Lexington Chapter, El Monte, entertained the Worthy Grand Matron of California, Mrs. Jessie Galbraith Morris, on Tuesday evening at the Masonic Temple in Alhambra, with a banquet and exemplification meeting at which about 350 members were present. A considerable number of Sierra Madre members attended the affair in the Alhambra Masonic Temple.

The Wistaria Fete committee has given the Chapter March 21st to be known as "Eastern Star Day." Invitations have gone out throughout Southern California and plans are being perfected to make this one of the most successful days at the Fete. The Worthy Grand Matron of California, who lives in San Francisco, is planning if possible to be the honor guest at a luncheon served under the vine that day.

clearings increasing daily in Pasadena, the Chamber of Commerce and Merchants Association of that city report that "unquestionably a much better feeling exists in the business and financial district" and that "there has been an increasing flow of funds into trade and investment during the past two weeks."

Every good citizen reads his hometown newspaper first.

Western Ideas Of Life Accepted In Turkey YPS Hears

Telling how the Turkish government has become westernized in the past decade, Jessie E. Martin, Congregational missionary to Turkey, spoke before a meeting of the Young People's Society of the local Congregational Church Sunday.

"The people of Turkey," she said, have recently given up many of their ancient customs, and even much of their old religion in favor of Western life."

Next Sunday's meeting will feature a general discussion on foreign missionary work done by this country, and the possible changes that may be made in this field of work. Announcement will be made soon regarding a Vesper service to be held, open to all wishing to attend.

DONELANS RETURN TO THEIR HOME IN IOWA

Dr. and Mrs. J. M. Donelan, who have been visiting their son and daughter, Dr. and Mrs. James P. Donelan, of 334 North Lima street, left on Tuesday for a short visit with their son and daughter, Dr. and Mrs. W. H. Scovins, at Westside, enroute to their home in Glenwood, Iowa.

DR. GILBERT S. BOVARD TO TAKE SECOND OPERATION Dr. Gilbert S. Bovard, of 159 West Montecito avenue, was taken to the Good Samaritan Hospital, in Los Angeles, on Wednesday afternoon for the second stage of a series of plastic operations on his chest. He will be able to return to his home in about a week.

BABY CHRISTENED ON GRANDMOTHERS' BIRTHDAY

James Spelbring Donelan, baby son of Dr. and Mrs. James P. Donelan, of 334 North Lima avenue, was christened on February 21, the ceremony being read by Dr. Arthur O. Pritchard of the Congregational Church. The date also marks the birthday anniversary of the baby's paternal grandmother, who was present at the christening with her husband, Dr. J. M. Donelan, of Glenwood, Iowa, and her daughter and husband, Dr. and Mrs. W. H. Scovins, of Westwood.

"COMEDY IN APRIL" TO SHOW IN HIGHLAND

"Comedy in April," the play recently presented by the local Drama League and written by John Q. Copeland, is now in rehearsal to be staged soon by a Little Theatre group in Highland Park.

Drink Water With Meals Good For Stomach

Water with meals helps stomach juices, aids digestion. If bloated with gas add a spoonful of Adlerika. One dose cleans out poisons and washes BOTH upper and lower bowels. At leading Druggists. —adv.

NOTICE OF TRUSTEE'S SALE
No. TS-865 "A"

On TUESDAY, the 13th day of March, 1934, at 11:00 A.M., SECURITY-FIRST NATIONAL BANK OF LOS ANGELES, as Trustee under and pursuant to Deed of or Transfer in Trust executed by GRAIL R. FULLER and PEARL V. FULLER, his wife, dated March 20, 1930 recorded May 5 1930, in Book 9980, Page 93, of Official Records in the office of the Recorder of Los Angeles County, California, and securing, among other obligations, note for \$600.00 dated March 20 1930 in favor of DAISY H. MONSTAD, will sell at public auction to the highest bidder for cash (PAYABLE IN LAWFUL MONEY OF THE UNITED STATES AT TIME OF SALE), at the Eastern entrance to the Hall of Justice, facing toward Spring Street, Los Angeles, California, all right, title, and interest conveyed to and now held by it under said Deed or Transfer in the property situate in the City of Sierra Madre, in said County and State, described as Lot Three Hundred Eighty-nine (389), of Tract Number Two Thousand Four Hundred Fifty-six (2456), Sheet 3, in the City of Sierra Madre, County of Los Angeles, State of California, as per map recorded in Book 31 Page 55 of Maps, in the office of the County Recorder of Los Angeles County.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of said note, to-wit, \$575.00, with interest from July 15 1930, at the rate of Seven per cent per annum, compounded monthly; advances, if any, under the terms of said Deed or Transfer; fees, charges and expenses of the Trustee and of trusts created by said Deed or Transfer.

The beneficiary under said Deed or Transfer, by reason of a breach or default in the obli-

Local Pastor To Address CE Assembly

S. R. Sheriff, pastor of Bethany Church, is to be speaker for the Los Angeles county General Assembly which is to convene this Sunday afternoon at the First Presbyterian Church at Figueroa and Twentieth streets. Several hundred Endeavorers from all parts of Los Angeles county are expected to gather for this meeting as this month's convocation is open to all Christian Endeavorers and their friends. Pastor Sheriff has been asked to select his own topic. Automobiles will leave Bethany Church about 1:30 to take all who wish to attend.

Tonight, at 8 o'clock, the Young People's Society will hold its monthly business meeting. The resignation of one of the chairmen and the expenses of the Forty-sixth anniversary week, as well as the routine reports, will also be brought for the consideration of the members.

Sixteen children turned out last Sunday afternoon for the first organizational meeting of the Junior C. E. Society. Miss Gladys Faber, president of Pasadena division C. E. and Miss Ruth Hagerty, L. A. county union's extension superintendent were present to assist the society in starting on its way.

BOYS GET CHANCE TO ENTER WEST POINT

Announcement came from the War Department this week of the group of California youths chosen to take the entrance examination for admission to the United States Military Academy at West Point, July 2 next. From the Eleventh Congress District, of which Sierra Madre is a part, selected boys include Alexander J. Frolich, of San Fernando, principal; Harold Nelson Morman of La Canada, first alternate; and Charles F. Newins, of Pasadena, second alternate.

Appeal to Support Roosevelt in N.R.A. Policies Launched

Major Frank E. Benedict

In the belief that housewives and other members of the family who have purchases to make for the family household need reminding of their duty to support President Roosevelt in his nation-wide efforts to make the National Recovery Administration function most efficiently for the greater good of the largest number, Major Frank E. Benedict, well known in community development, American Legion activities, and civic endeavor within the state of California, has been commissioned to cover the Southland with a series of addresses pointing out need for more thorough N. R. A. cooperation.

His tour is being sponsored by well known leaders who feel that the time has come to eliminate the "business chiseler" from the returning prosperity picture.

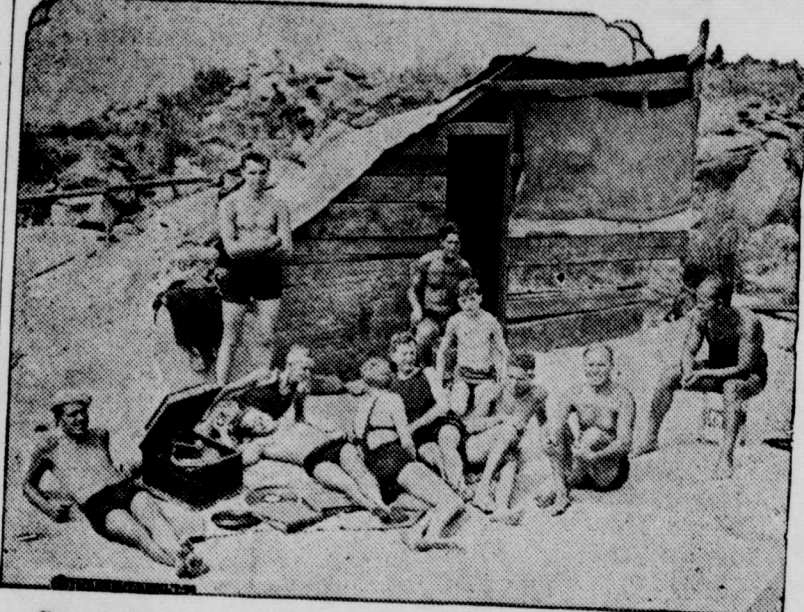

Major Benedict was an appointee of Governor Ralph as director of the Hollywood division of the California State Motor Vehicle department, holds a commission in the air reserve, is commander of Sunshine Post of the American Legion, and has been active in the rehabilitation movements for disabled veterans, as well as having enjoyed a reputation for years as an able business counselor.

gations secured thereby, heretofore executed and delivered to undersigned a written Declaration of Default and Demand for Sale and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereupon, on October 24, 1933, the undersigned caused said notice of breach and of election to be recorded in Book 12316, Page 285, of Official Records in said recorder's office.

Dated February 8, 1934.

Sunbathers' Club of Unemployed

Some of the unemployed men of New York city, determined to keep their health, have banded together in a "sunbathers' club" and established their headquarters in a little hut near the Dyckman street ferry. Members of the club are here seen basking in the sun's rays.

Mrs. E. M. Spencer, of Los Angeles, is house guest of Mrs. F. L. C. Roess, of 83 West Highland avenue.

Mrs. Frances Burton and Miss Dagmar Johnston, of 665 Woodland Drive, are spending some time in Long Beach.

Mrs. M. R. Bradford, of Woodland Drive, is visiting in Long Beach.

Miss Ethel Burnham, of Sierra Madre Canyon, is visiting in Long Beach.

Mrs. Nestor A. Young, of 209 West Highland avenue, is recuperating from a recent illness.

Mr. and Mrs. D. Hauk, of Sierra Madre Canyon, are visiting their daughter in Burbank.

George M. Lehner, of 550 West Central avenue, left on Monday for a two-day trip to Encondido.

John Pierce, of Pasadena, a graduate of Cornell University, has just completed plans for landscaping the gardens at the home of Mrs. Freda M. Clatworthy, 82 West Alegria.

Mr. and Mrs. A. L. Cobb, of Long Beach, spent the weekend at their cottage, Kobb's Kamp, in Sierra Madre Canyon. Mr. Dietz and his daughter, Long Beach friends, were their house guests during the stay.

Gordon B. Wolfe, of 181 Vista Circle Drive, with a party of Los Angeles friends, spent the week-end quail hunting at Gaultaloupe, Mexico. Gaultaloupe is an interesting Russian resort inland between Ensenada and Tecate.

"Colonial Tea Party," directed by Mrs. Florence Eakman, was presented by the Children's Dramatic Guild on Washington's Birthday at the Mira Monte Hotel in Pasadena. The play was given on Friday evening in Los Angeles.

Sixteen acknowledgements were taken by S. R. G. Twycross on Saturday evening, the largest number at any one time in the 40 years he has been a notary public.

Favorite Recipes Of Sierra Madreans

"CHEESE SOMERSET" is a favorite luncheon or supper dish of Mrs. Esther Fawcett. Her recipe serves six and is as follows:

6 tablespoons butter
6 tablespoons flour
3 cups milk
1 teaspoon salt
1/4 teaspoon paprika
1/4 teaspoon celery salt
1/4 teaspoon onion salt
1 teaspoon chopped parsley
4 eggs
1 cup cheese, cut fine.

Melt butter, add flour and when blended add milk and cook until creamy sauce forms. Stir constantly. Add seasoning, eggs, cheese. Mix well; pour into buttered baking dish. Set in pan of hot water and bake 35 minutes in moderately slow oven. Unmold or serve in baking dish.

WOMEN HAVE PUT MEN BACK TO WORK...

An unprecedented rush of orders followed the announcement of a special sale of modern gas ranges—equipped with clock-control—at record-breaking low prices.

It was announced that—during this sale—these clock-equipped ranges could be purchased for a limited time at a price equal to the cost of such ranges without the clock control.

A rush of orders resulted.

In many instances, delivery has been delayed until a fresh supply of ranges could be rushed from the factory.

Trade associations report that this has made increased work for great numbers of men.

The sale of thousands of such ranges in Southern California means more work for men—and less work for the women! Instead of spending all their time in the kitchen these wives and mothers will now have time for other activities and interests.

Have you seen these new ranges?

If you have—either at your dealer's or the gas company office—you probably have ordered one for your own kitchen. If you haven't, we suggest that you do so at once—before this special offer expires.

At the gas company office you will see new models of Roper and Magic Chef—ranges which we have merchandised for years—but these are equipped with a clock-control which cooks for you automatically.

At your dealer's you will see other good ranges also equipped for this new method in automatic cookery.

Either through your dealer or the gas company you may have one of these modern ranges on very easy terms.

Don't wait!

WASHINGTON TO ROOSEVELT INDUSTRIAL AMERICA MOVES FORWARD

With a steadily growing business confidence asserting itself in all lines of industry, and the ravages of fear gradually, but surely, overcome by a new national faith in America's future, we wish to add our word of encouragement with a patriotic event commemorating Washington's Great Vision and Roosevelt's Masterful Leadership!
